

ECOL 592: Intro to R Midway Course Survey

Name (optional):

Are you enrolled? (circle one):

Yes, enrolled.

No, not enrolled.

[1] The pace of the class is:

1 2 3 4 5 6 7
(way too slow) (exactly right) (way too fast)

[2] The material covered so far will be helpful in my research/
career:

1 2 3 4 5 6 7
(definitely not) (maybe) (definitely)

[3] The website is a good way to distribute course material:

1 2 3 4 5 6 7
(definitely not; overhaul it) (adequate; some adjustments) (perfect; don't change)

Feel free to list adjustments:

[4] The assignments help me learn the material:

1 2 3 4 5 6 7
(definitely not) (some) (definitely)

If not, why not? (too easy? too hard? too irrelevant to your work?
unclear?)

[5] How many class periods should we allot for ~30 minutes of
independent working time on your individual projects with me and
potentially some of our guest lecturers available for help with
specific questions?

0 1 2 3

[6] Name 1 specific thing about the way this material is presented that is particularly effective.

[7] Name 1 specific thing about the way this material is presented that could be improved.

[8] Feel free to list any additional comments here.
